The Honorable David Joyce  
Ranking Member  
Subcommittee on Interior, Environment and  
Related Agencies  
House Committee on Appropriations  
1016 Longworth House Office Building  
Washington DC, 20515

Dear Chairman McCollum and Ranking Member Joyce:

We write to request a funding increase for the Department of the Interior's (DOI) Freedom of Information Act (FOIA) program. According to DOI, it has experienced at least a 30% increase in new FOIA requests since the beginning of the Trump Administration.<sup>1</sup> DOI also reports having more than 100 FOIA cases in litigation due to agency non-response to FOIA requests and is suffering from staff attrition. The situation is particularly acute in the Office of the Secretary FOIA Office, where there has been a 210% increase in new FOIA requests from FY 2016.<sup>2</sup> An increase in funding is essential for ensuring that DOI can meet the government transparency goals under the FOIA.

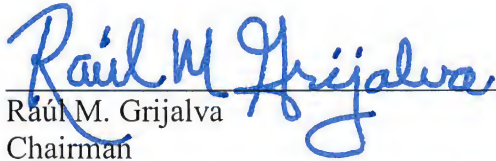

Because of the large increase in FOIA requests and litigation, the growing backlog and overwhelming public interest in ensuring transparency during this Administration, we recommend that the funding increase be used to hire at least 10 FTEs dedicated solely to responding to FOIA requests. These FTEs should be supervised, to the extent it complies with FOIA, by the Department's Deputy Chief FOIA Officer, a career Senior Executive Service position in accordance with the current structure of DOI's FOIA program.
